BIRCHILLS STREET UPDATE

The council have been monitoring Birchills Street traffic with a 7-day traffic survey, and it shows that the flashing lights and reduced speed signs scheme has been successful in reducing the average speed of vehicles along Birchills St from 26.5mph to 21.0mph (this was recorded over a 7 day period). The average number of vehicles using Birchills St on a weekday has also reduced by over 350 vehicles per day following the implementation of the scheme (from 3982 to 3623). There has only been one recorded personal injury collision in the last 3 years and this was not speed related.

WHERE ARE THEY NOW?

We would like to create a wall of ex-pupils' achievements after they have left secondary school. If you know anyone that might be interested in telling us about where they are now, for example working, university, training, self-employed, travelling, please contact us at postbox@birchills.walsall.sch.uk or telephone 01922 721063. We hope our community will help us spread this message near and far. We want to celebrate the achievements of our community and inspire our current pupils.

LEARN PANTOSAUR'S FIVE EASY RULES FOR STAYING SAFE

P PRIVATES ARE PRIVATE

Your underwear covers up your private parts and no one should ask to see or touch them. Sometimes a doctor, nurse or family members might have to. But they should always explain why, and ask you if it's OK first. Remember, what's in your pants belongs only to you.

A ALWAYS REMEMBER YOUR BODY BELONGS TO YOU

No one should ever make you do things that make you feel embarrassed or uncomfortable. If someone asks to see or tries to touch you underneath your underwear say 'NO' – and tell someone you trust and like to speak to.

N NO MEANS NO

You always have the right to say 'no' – even to a family member or someone you love. You're in control of your body and the most important thing is how YOU feel. If you want to say 'No', it's your choice.

T TALK ABOUT SECRETS THAT UPSET YOU

There are good secrets and bad secrets. If a secret makes you feel sad or worried, it's bad – and you should tell an adult you trust about it straight away.

S SPEAK UP, SOMEONE CAN HELP

It's always good to talk about stuff that makes you upset. If you're worried, go and tell a grown up you trust – like a family member, teacher or one of your friend's parents. They'll say well done for speaking out and help make everything OK. You can also call Childline on 0800 1111 and someone will always be there to listen.

Remember all of these rules and they'll help you stay safe, just like Pantosaur.
